

Can-Fuels-Viz

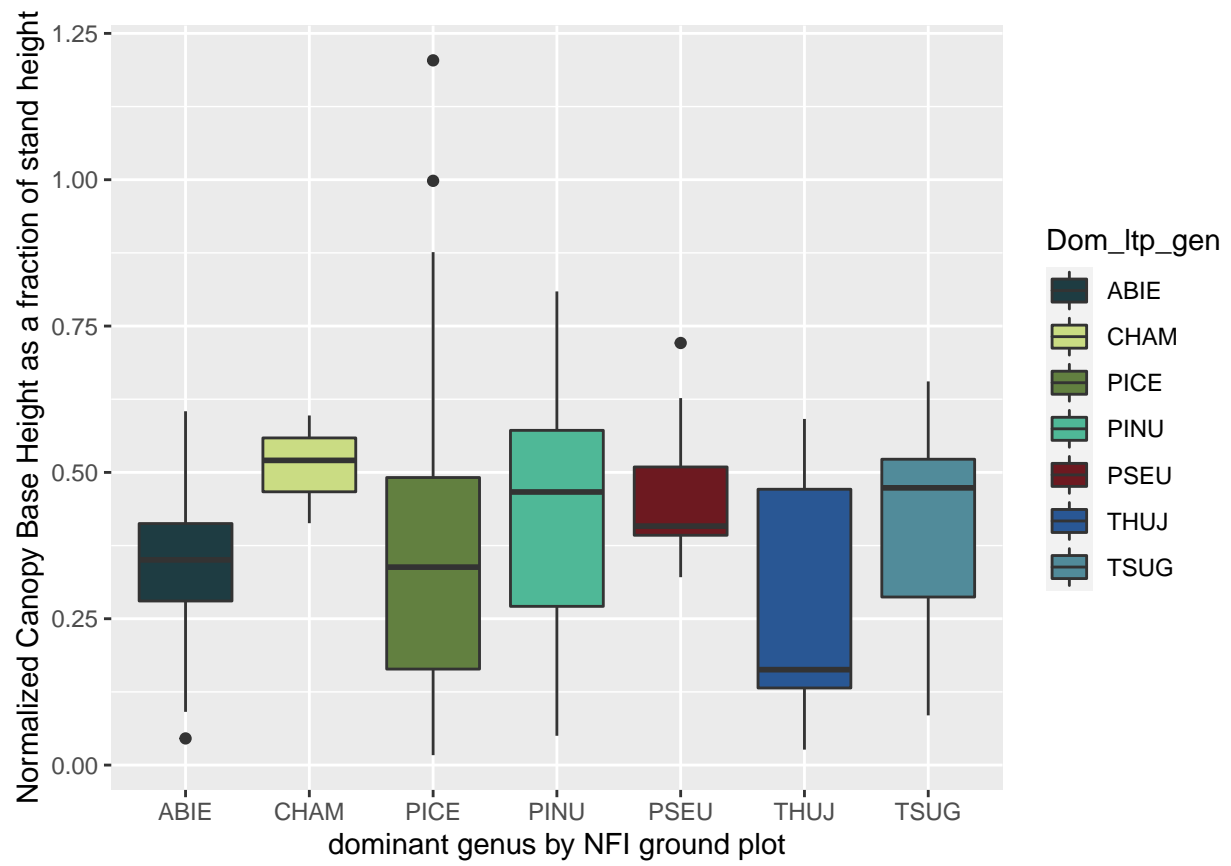

Canadian Forest Service Fire Danger Group

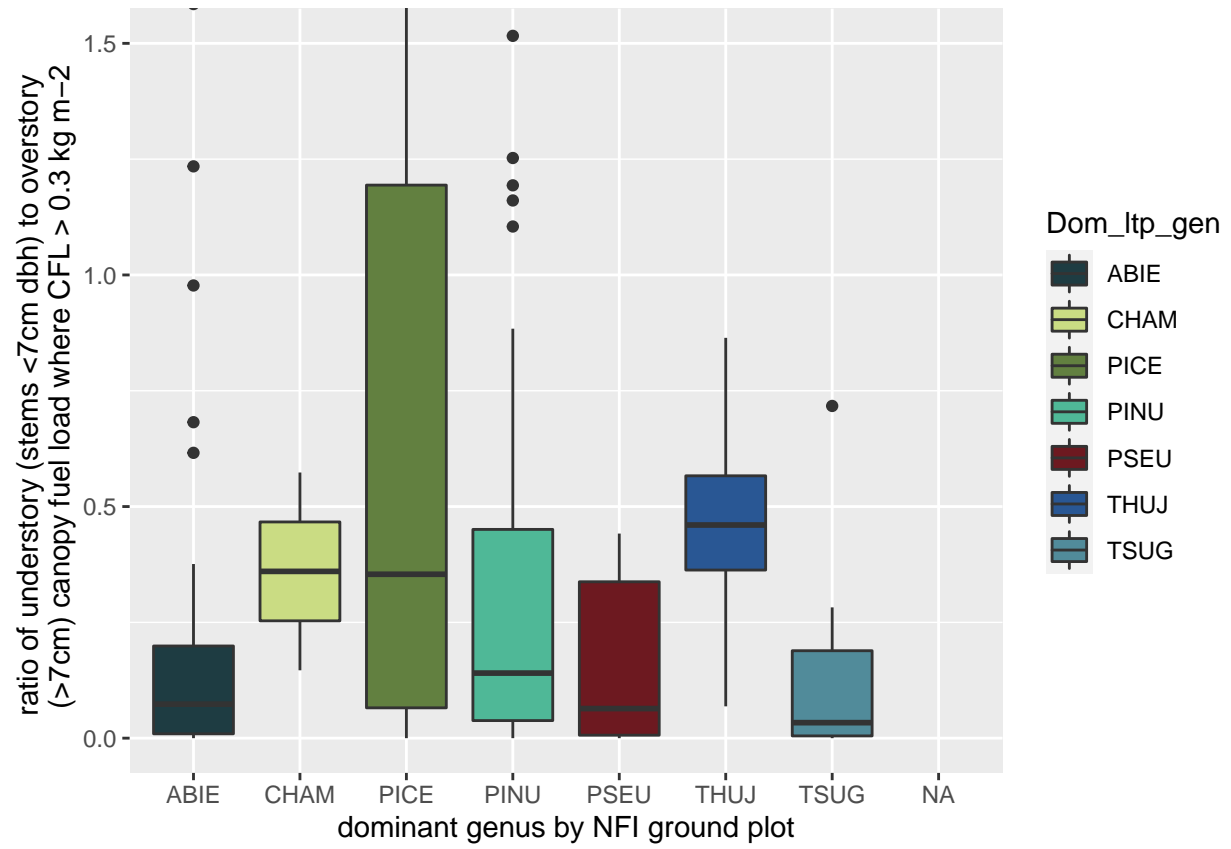

March 11 2021

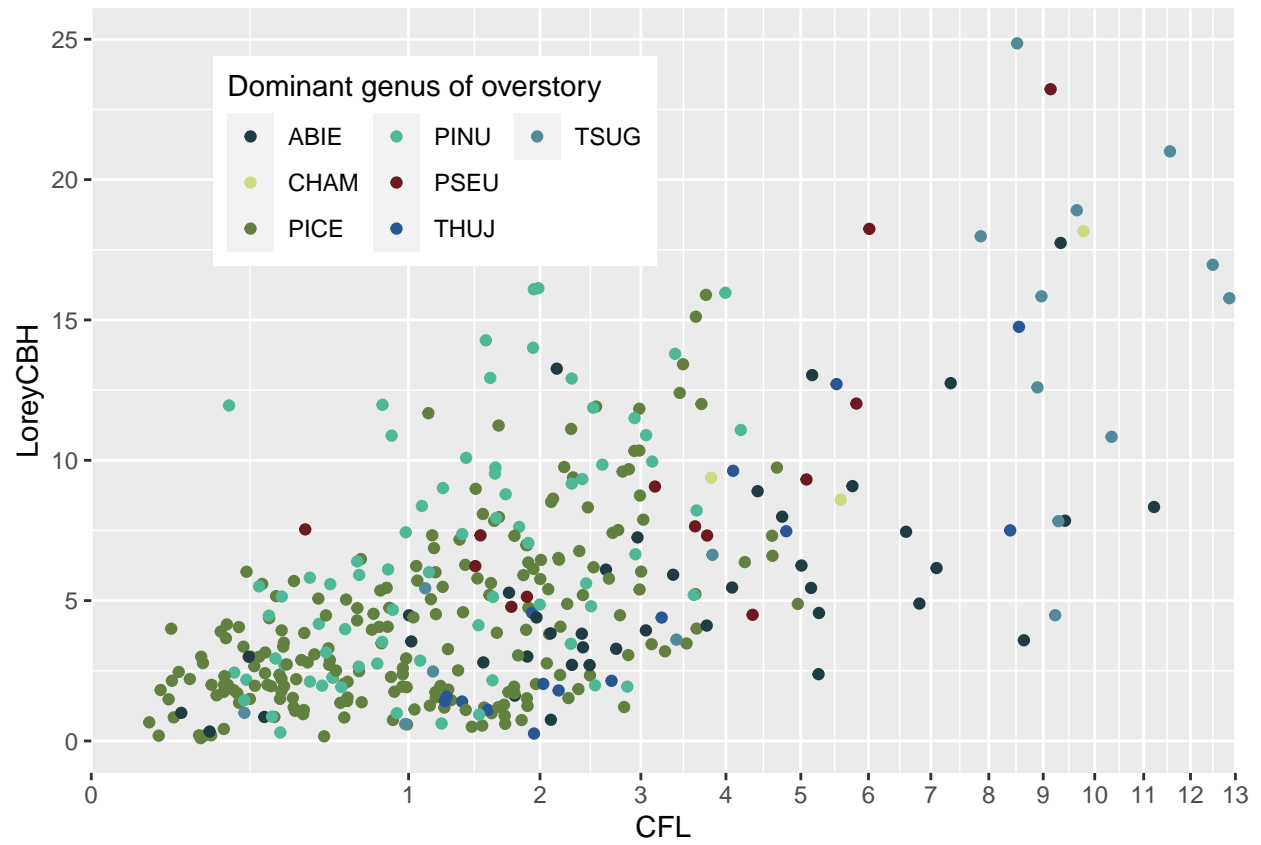

A survey of fuel structural metrics visualizations from the Canadian National Forest Inventory, now using the colour scheme by genera from the State of the Forest Report (<https://cfs.nrcan.gc.ca/publications?id=40222>)

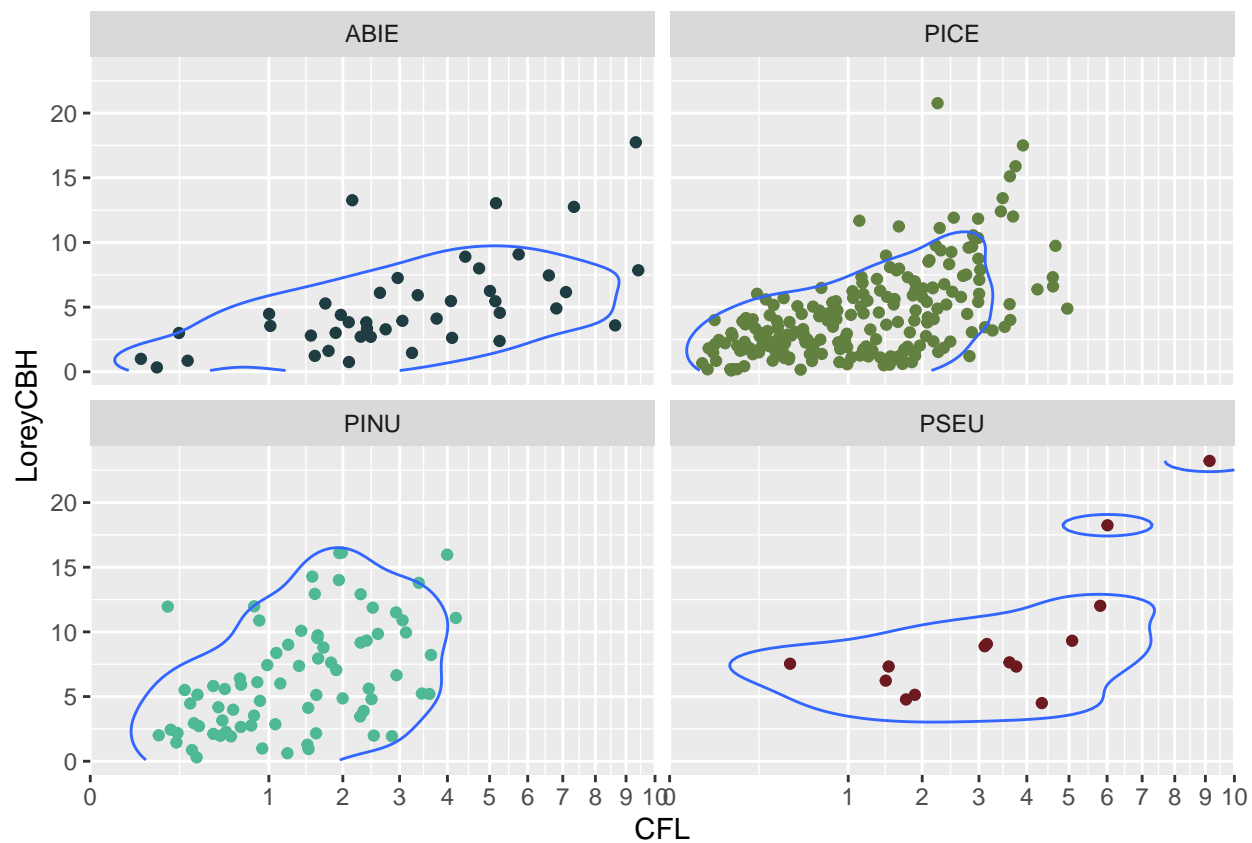

Note that the `echo = FALSE` parameter was added to the code chunk to prevent printing of the R code that generated the plot.
